Junior WordPress Developer

Description

Local, small business is needing web developers to help with the load of website building from COVID-19 mandates and virtualizing visits and storefronts.

A career with us means you will be rubbing elbows and meeting some of our area's most influential people – Mayors, Business Owners, Public Works Managers, and Corporate Board members. This is not a career for the faint of heart.

We have offices in Princeton and Faison, NC to fully accommodate your work needs as well as employee break rooms/kitchens for a quick meal or refrigerated meal.

Goldsboro Web Development has been doing business for over 10 years and have a large profile of clients whom are loyal and happy. At the current time we are inundated by new clients whom are scrambling to get their companies online during the COVID-19 epidemic to advert the economic impact of future lockdowns.

We are looking for like-minded people to help us out – honesty and integrity are traits we value above all others.
